DWG
Member Meeting

Hosted by
Comcast

ONLINE January 28, 2027

2.5 hours from 08.00 PST / 11.00 EST / 16.00 GMT / 17.00 CET

Agentic AI Innovation with Comcast

Agenda highlights include:

The Comcast team will share **insights into Cai, its AI-powered workforce agent**, which is designed to **shift the intranet from a content destination to an intelligent, action-oriented layer** embedded in Microsoft Teams and ComcastNow.

Comcast received an award for Agentic AI Innovation in DWG's 2026 Awards.

Plus, attendees will participate in:

- An **expert-led benchmark that will give a real-time vantage view** of DWG members' successes, challenges and ambitions.
- A choice of **2 breakout sessions** for deeper discussion.
- An opportunity to **connect** with your fellow digital workplace practitioners.
