

DWG Member Meeting

DWG Predictions for 2027

ONLINE: October 14, 2026

3 hours from 8.00 PST / 11.00 EST / 16.00 GMT / 17.00 CET

DWG predictions for 2027

Staying ahead of digital workplace trends is increasingly vital. As technologies and ways of working evolve, understanding their impact on budgets, teams, leadership and employees is crucial.

This special online Member Meeting, a highlight of the DWG annual calendar, will help members navigate current trends and prepare for what's next in 2027, drawing on DWG's renowned predictions, industry insights and the best practices we see.

You'll leave with practical ideas to strengthen your digital workplace strategy and connections to make the journey an enjoyable one.
