[Gallup](#)

Employees with good onboarding experience are **18x more committed** to their employer

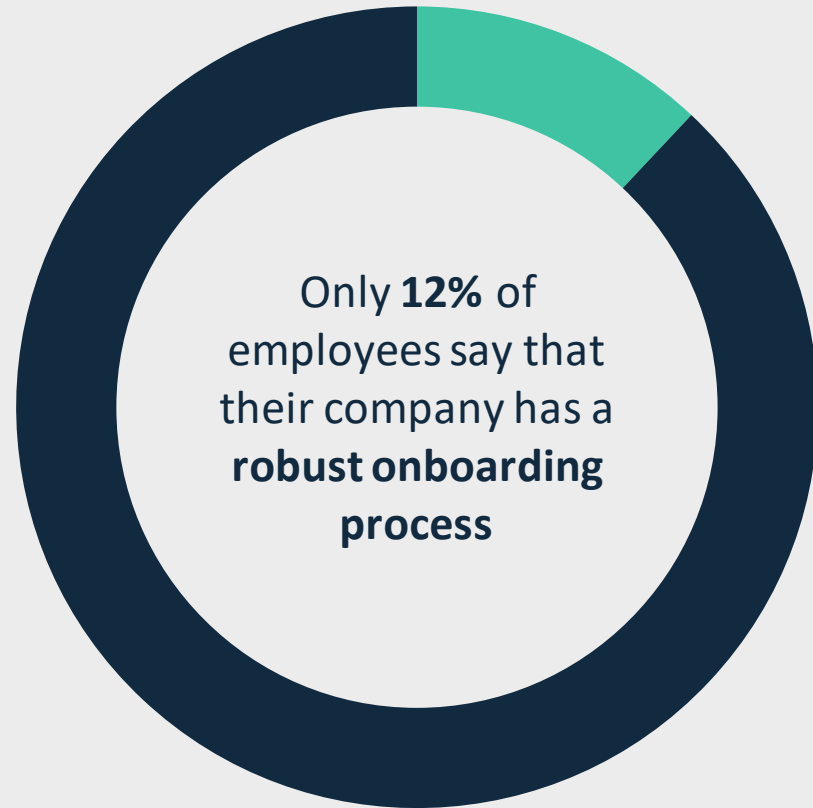

[Gallup](#)

Only **12%** of employees say that their company has a **robust onboarding process**

[Gallup](#)

Common barriers to effective onboarding

[Gallup](#)

- Inconsistent experiences
- Time-consuming manual process
- Heavy focus on paperwork over culture and engagement activities
- Fragmented interdepartmental cooperation
- Feedback opportunities are ad hoc and not widely monitored

Onboarding automation streamlines the repetitive elements of onboarding new starters for admins, and delivers a set of employee experiences that drive efficiency and engagement from day one

Unily

The internal process

- Start with HR
- Identify pain points HR, IT, Department, Employee
- Department Onboarding deep dive in Sales
- Designed the optimum onboarding journey
